## Use Clean Show Official Hotels.

### Here's Why...

The Clean Show negotiated special rates with some of the finest hotels in New Orleans to block a sufficient number of guest rooms for show attendees and exhibitors. We want you to enjoy quality and affordable housing. If the Clean Show does not fulfill its contractual obligations with these hotels, it will pay significant financial penalties. You are encouraged to make your reservation at one of the Clean Show's official hotels. By doing so, you help support the programs offered by your professional associations.
